SEAMLESS UNION OF FLUIDITY AND FLOW.

At SLR, design is all about fluidity of movement; one that breaks barriers, leading to interaction and seamless mobility, as well as an unparalleled sense of community, bringing the surrounding architecture to life. From a bird's eye view, SLR evokes a constant state of motion and flow, symbolizing activity and life; here is where green landscapes take organic curvy shapes to embrace tranquil water features, as well as winding pedestrian paths to strike the perfect balance with SLR's modern linear architecture you call home.

Cracknell &
CallisonRTKL

Introducing a unique marriage between open contemporary spaces, and a breathtaking central park, SLR is where life effortlessly flows and communal interaction is encouraged around every winding corner, thanks to Cracknell and CallisonRTKL exceptional landscaping, master-planning and architectural design.

The GISELLE

For almost two decades, Hassan Allam Properties (HAP) has been shaping residential areas, where hand-picked lifestyles and communities emerge. Today, this legacy continues in its newest ultra-premium destination: Swanlake Residences – New Cairo. There, twelve exclusive gated neighborhoods come together in one high-end center point sprawling over 438 acres, to ultimately revive Cairo's favorite east side.

Named after the world-famous ballet masterpiece created by Theophile Gautier in 1842, Giselle stands out in Swanlake Residences as one of its most lavish neighborhoods. Inspired from a period of romanticism and aristocracy, The Giselle is praised for its ravishing and quite new harmonic lifestyle. The neighborhood ultimately flaunts an exquisite and contemporary mood that is perfect for new beginnings and lifelong charm.
